Annual Meeting

The annual meeting of the Wabeek South Homeowners Association will take place on

Wednesday, November 1, 2017
at 7:00 p.m

at the **Bloomfield Township Auditorium**
located at 4200 Telegraph Road.

Please try to attend!

2017-18 Annual Dues

The mandatory dues for the coming year are:

Bloomfield Township homes: \$175
West Bloomfield Township homes: \$360

Dues are due by January 15, 2018

DUES ARE MANDATORY!

Please make note of the following:

1. The difference in the amount of dues between the two sides of the subdivision is attributable to the fact that Bloomfield Township residents pay for snow plowing as part of their taxes, and the Wabeek South Homeowners Association must privately contract for these services on the West Bloomfield Township side of the subdivision.

2. The payment of dues is not optional. The Wabeek South Homeowners Association is legally authorized to assess and collect these dues. Failure to pay dues in a timely manner will result in a lien being placed on your home and with you being responsible for all associated legal fees and costs. . **If you are behind on your dues please settle your balance ASAP to avoid a lien by Contacting Dan Steffy (desteffy@gmail.com)**

3. Please note that the Board has not increased the homeowner's dues this year. We have worked hard to negotiate competitive prices for landscaping and snow removal. We encourage homeowners to attend our meeting and consider volunteering to join the board.

Landscaping and Entrance Lighting

We have improved our Landscaping, removed dead trees and added new LED lights at both Middlebelt and Long Lake entrances. We hope you like the new surroundings.

Street Lights

This Board has investigated the installation of streetlights throughout the subdivision (all streets). Stefanie Madany has been our “lead” representative working with DTE on this project. Many hours have been dedicated to this study. We will provide an update at the November 1, 2017 Annual Meeting. Each year this is suggested and discussed during the Annual Meeting. Please attend to get all the information. The project proposal is not finalized and we need AND want your input. We will need volunteers if we proceed.

Cul-de-sac renovations

Wabeek South has many cul-de-sacs, some of which contain beautiful plantings, but many of which are undecorated. The board has started program by which the HOA will split the cost of landscaping individual cul-de-sacs with the adjacent homeowners. Homeowners would select plantings according to their own taste and the HOA would contribute 50% of the cost (up to a maximum of \$2000 contribution per cul-de-sac) and offer future maintenance. Such improvements beautify the neighborhood and raise property values for all. Interested homeowners should contact the board for more information.

Road Condition Update

WEST BLOOMFIELD SIDE

Roads throughout the West Bloomfield side of Wabeek South were replaced in 2000 by the Road Commission of Oakland County (RCOC). A 15-year warranty was attached to this project and over the past year some final under-warranty repairs were made. Moving forward, the RCOC is still responsible for maintaining our roads but, with the expiration of the warranty, will only fill potholes using “cold patch” asphalt. Cracks will also be filled with sealant. Residents are encouraged to report potholes and cracks on the West Bloomfield side to the RCOC by calling **(877) 858-4804**. Prompt repair of small cracks and potholes can help to prevent more serious deterioration in the future.

BLOOMFIELD TOWNSHIP SIDE

The project of repaving the roads in the special assessment district was completed late 2014. Residents can enjoy safer driving conditions and increased property values. Maintenance is the responsibility of the Bloomfield Township Road Division. Residents should contact the Bloomfield Township Road Division at **(248) 594-2800** to request repairs.

Around the Neighborhood

With the sun setting earlier this time of year the neighborhood can become very dark in the evening. We encourage homeowners to help illuminate our neighborhood using porch lights or landscaping lights in the evening.

We kindly remind dog owners to help keep our neighborhood beautiful by appropriately cleaning up after your pets when out for a walk. Thank you to the great majority of you who already do so!

Architectural Approval

Planning an exterior renovation or modification to your home's appearance? Then do not forget to contact the homeowners association for feedback and approval before moving ahead with your plans. We love to see homeowners improving and updating their homes according to their own taste and hope to make the approval process fast and easy. The reason for this process is to ensure the continued beauty of our subdivision for all.

More information about architectural controls and restrictions can be found in article IV of the Wabeek South Covenants, which can be downloaded at www.wabeeksouth.com. Note that no approval is necessary for interior alterations. Homeowners seeking approval for plans, or with general architectural questions, should contact Michael Barnd (mbarnd@comcast.net)

Crime in the neighborhood

Over the past year there have been some home burglaries as well as thefts from parked cars in our neighborhood. Crime reports can be found in the Eagle newspaper which is delivered to all homes. We encourage you to stay vigilant and active to help prevent crime. Here are some tips to help keep our neighborhood safe:

- Keep your home exterior well lit
- Appropriately trim shrubs around your home
- Do not hesitate to call the police if you see something suspicious around the neighborhood
- Keep your home secure, do not leave doors unlocked or unattended garage doors open
- Cars parked outside of a garage should not contain visible goods in the cabin that could be the target of theft

Snow and Ice on the Way!

The Bloomfield Township side of the subdivision will be plowed and salted by Bloomfield Township. The residents of the Bloomfield Township side of the subdivision pay for these services as part of their real estate taxes.

The West Bloomfield Township side of the subdivision will be plowed and salted by an independent contractor hired by the Wabeek South Homeowners Association. This year we are renewing our contract with Elowsky Lawn Services for the West Bloomfield side of the subdivision. We note that Elowsky also offers driveway-plowing services; interested homeowners can reach them at **(248) 802-6514**.

West Bloomfield Township side of the subdivision pay for these services as part of their homeowners association dues.

Trash Pick Up

West Bloomfield is now Tuesday @ 7:00am
Bloomfield Hills remains on Wednesday.

Directory

HOMEOWNERS DIRECTORY

From time to time we distribute a Homeowners Directory to all residents of Wabeek South, most recently one was mailed to all residents at the beginning of 2016. The directory is distributed in printed form and for privacy concerns the directory will not be published digitally or online. New residents who would like a directory should contact the board members or attend the board meeting to obtain one. We will be publishing new 2018 Directory early next year. Update your information by contacting George Wicker (gw3@comcast.net)

Email List

EMAIL AND WEBSITE

Did you know that the Homeowners Association has a website? It's www.wabeeksouth.com. It contains the most up to date information concerning our Association. Newsletters, covenants, bylaws, maps, contact information, and recycling are all on the website. Please bookmark and check it often to find out the latest news. Newsletters are created annually and are only printed and mailed with dues. They are also available on the website.

Current HOA Board Members:

President	Andy Benedict (andybenedict@att.net)	
Treasurer	Dan Steffy (desteffy@gmail.com)	
Secretary	Doris Harber-Hollins (djharber@aol.com)	
Board Members	Michael Barnd, Jay Hazra, Stefanie Madany, George Wicker, Laura Wicklund
